Refund Policy

At VesnaHrsto.com we strongly believe in the value and quality of our programs, courses, and coaching, and we stand behind them with a 7-Day satisfaction guarantee.

If however, for some reason you find that the courses at Vesna Hrsto do not provide you with valuable information and strategies to help improve your health and vitality, let us know within 7 days of purchase, complete and return the required assignments and you'll receive a full refund. Guaranteed.

Please note, this guarantee is conditional.

This 100% guarantee is conditional based on your efforts to put the strategies into place.

If you ask for your money back, you will be required to provide all your completed exercises from at least the first module of the purchased course (plus the pre-work), and to demonstrate how you have applied the supplied advice and strategies to your health and life.

We will need to know that you completed the assignments and implemented the strategies with commitment, and on time.

Then a quick phone call with one of our support staff to provide feedback on the course/ program.

If you demonstrate that you implemented our teachings for your health and wholeheartedly made getting your health back a priority yet did not achieve results, we will happily refund you.

Otherwise, the guarantee becomes null and void.

You can't get results from something you don't do. It's as simple as that.

Because we know that if you do the work, you'll get extraordinary value. If you do the work and don't get value, we don't deserve your money. It's that simple.

Please do not enroll if you just want to "check it out." We put an extraordinary amount of time and effort into this program and we expect you to do the same. Buh-Bye Burnout is for serious students only.

We believe that you get out of life what you put in and the more committed you are to succeeding, the more energy you will put in and the greater results you will see.

We will happily support you to ensure your success within this program.

This is not a quick fix though, you will be required to diligently apply all the strategies to improve your health and lifestyle.
